

## Year One – Where do I live?

### Key Vocabulary

**Earth** – The planet we live on

**Continent** – A very large area of land that's made up of many countries. Europe is a continent.

**Ocean** – One of five very large areas of saltwater on the Earth's surface.

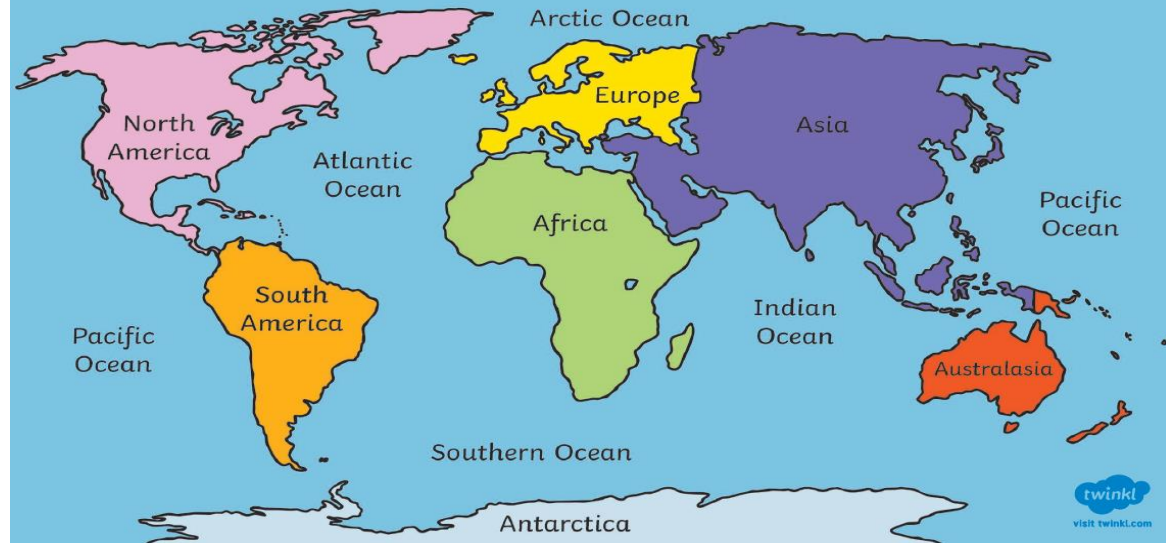

**Sea** – A large area of salty water that is part of an ocean.

**Country** – An area of land controlled by its own government.

**Urban** – An area within a town or city

**Rural** – An area that is not in a town or city. Sometimes called 'countryside'.

### Continents and Oceans
